MINISTRY OF COMMERCE

NOTIFICATIONS

New Delhi, the 16th November 1965

S.O. 3606.—Whereas the Central Government is of opinion that in exercise of the powers conferred by section 6 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), de-oiled rice bran should be subject to quality control and inspection prior to export;

And whereas the Central Government has formulated the proposals specified below for the said purpose and has forwarded the same to the Export Inspection Council, as required by sub-rule (2) of rule 11 of the Export (Quality Control and Inspection) Rules, 1964;

Now, therefore, in pursuance of the said sub-rule, the Central Government hereby publishes the said proposals for the information of the public likely to be affected thereby.

2. Notice is hereby given that any person desiring to forward any objection or suggestion with respect to the said proposals may forward the same within thirty days of the date of publication of this notification to the Export Inspection Council, World Trade Centre, 14/1B, Ezra Street, 7th Floor, Calcutta-1.

Proposals

(1) To notify that de-oiled rice bran shall be subject to quality control and inspection prior to export.

(2) To specify the type of quality control and inspection in accordance with the Export of De-oiled Rice Bran (Quality Control and Inspection) Rules, 1965, as the type of quality control and inspection which would be applied to de-oiled rice bran.

(3) To establish the specification specified in the Annexure below as the standard specification for de-oiled rice bran.

(4) To prohibit the export, in the course of international trade, of de-oiled rice bran unless the consignment of de-oiled rice bran is accompanied by a certificate issued by an agency recognised for the purpose by the Central Government under section 7 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), to the effect that the de-oiled rice bran satisfies the conditions relating to quality control and inspection.

3. In this notification "de-oiled rice bran" means rice bran from which oil has been extracted.

ANNEXURE

De-oiled rice bran shall be a product obtained from rice bran through a process of de-oiling and shall be free from insect infestation.

[No. 50(1)Exp. Insp/63.]

S.O. 3607.—In exercise of the powers conferred by section 17 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), the Central Government hereby makes the following rules, namely:—

1. **Short title and commencement.**—(1) These rules may be called the Export of De-oiled Rice Bran (Quality Control and Inspection) Rules, 1965.

(2) They shall come into force on the 1st January, 1966.

2. **Definition.**—In these rules "de-oiled rice bran" shall mean rice bran from which oil has been extracted.

3. **Quality Control and Inspection.**—(1) The quality of the de-oiled rice bran intended to be exported shall be ensured by means of fumigation carried out in accordance with rule 4.

(2) The inspection of de-oiled rice bran intended to be exported shall be carried out with a view to see whether the de-oiled rice bran complies with the standard specifications applicable to it.

4. **Procedure of fumigation.**—(1) Every person intending to export de-oiled rice bran shall give intimation of the same to the agency recognised for the purpose by the Central Government under section 7 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), (hereinafter referred to as the fumigation agency) of all consignments of such de-oiled rice bran to enable it to fumigate such consignments in accordance with this rule.

(2) Every intimation under sub-rule (1) shall be given not less than ninety-six hours prior to shipment.

(3) The fumigation agency shall first impregnate the empty bags intended for packing de-oiled rice bran with Malathion by preparing an emulsion of 50 per cent Premium Grade Malathion Emulsion Concentrate diluted with water in the proportion of 1:100. This emulsion shall be applied on the surface of the bags at the rate of 3 litres per 1,000 sq. ft. or 3·25 litres per 100 sq. metres of bag surface. Thereafter the impregnated bags shall be filled with de-oiled rice bran and fumigated with Methyl Bromide by using a dose of 3 lbs. per 1,000 Cu. ft. or 48 g/cu. metres with an exposure period of 24 hours under gas-tight covers.

(4) After satisfying itself that the consignment of de-oiled rice bran has been properly fumigated and the de-oiled rice bran satisfies the standard specifications applicable to it, the fumigation agency shall issue a certificate to the effect that the de-oiled rice bran satisfies the conditions relating to quality control and inspection.

5. **Place of fumigation.**—All fumigation under these rules shall be carried out at the extraction unit or at the exporter's godown:

Provided that fumigation may also be conducted, if the exporter so desires, in the dock area, in which case the exporter shall be responsible for providing the necessary space and labour facilities at his cost to the fumigation agency.

6. **Appeal.**—(1) Any person aggrieved by the refusal of the fumigation agency to issue a certificate under rule 4 may, within ten days of the communication of such refusal, prefer an appeal to the Director of Quality Control and Inspection appointed under section 4 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963).

(2) The decision of the Director of Inspection and Quality Control on any such appeal shall be final.

7. **Fees.**—A fee at the rate of four rupees per tonne shall be charged by the fumigation agency for carrying out fumigation under these rules.

[No. 50(1)Exp. Insp/63.]

S.O. 3608.—In exercise of the powers conferred by section 7 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), the Central Government hereby recognises the organisations mentioned below as the agencies for quality control and inspection of de-oiled rice bran prior to their export, subject to the condition that every organisation shall give adequate facilities to an officer of the Export Inspection Council, duly authorised by that Council, to examine the method of inspection followed by that organisation before granting the certificate under sub-rule (4) of rule 4 of the Export of De-oiled Rice Bran (Quality Control and Inspection) Rules, 1965.
